INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
San Francisco Public
Health Foundation
San Francisco, California

Report on the Financial Statements

We have audited the accompanying financial statements of the San Francisco Public Health Foundation (a nonprofit public benefit corporation), which comprise the statements of financial position as of June 30, 2021 and 2020, and the related statements of activities, cash flows and functional expenses, for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the San Francisco Public Health Foundation as of June 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

SAN FRANCISCO PUBLIC HEALTH FOUNDATION
(A California Nonprofit Public Benefit Corporation)

NOTES TO FINANCIAL STATEMENTS
For the years ended June 30, 2021 and 2020

NOTE 1 DESCRIPTION OF ORGANIZATION

Organization – The San Francisco Public Health Foundation (the Corporation), a non-profit public benefit corporation located in San Francisco, was formed under the general non-profit corporation laws of the State of California to generally support and enhance the public activities and purposes of the Department of Public Health of the City and County of San Francisco. Activities include supporting Department of Health educational programs, funding and supporting conferences and publications related to public health issues, and funding and supporting Department of Public Health organizational and operational activities. The Corporation supports the Department of Public Health, but is not a direct deliverer of health services to the public. Funding comes primarily from contributions from community members, corporations, organizations and governmental sources. These funds are shown in these financial statements as fiscal sponsor assets with corresponding liability.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting – The financial statements of the Corporation are prepared using the accrual basis of accounting in accordance with U.S. generally accepted accounting principles, which reflects revenue when earned and expenses as incurred.

Basis of Presentation – The Corporation is required to report information regarding its financial position and activities according to two classes of net assets: net assets with donor restrictions and net assets without donor restrictions.

Net assets without donor restrictions - Net assets that are not subject to any donor-imposed restrictions. This class also includes restricted gifts whose donor-imposed restrictions were met during the fiscal year.

Net assets with donor restrictions – Net assets that are restricted by a donor for use for a particular purpose or in a particular period. Some donor imposed restrictions are temporary in nature, and the restriction will expire when the resources are used in accordance with the donor's instructions or when the stipulated time has passed. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions.

There were no net assets with permanent donor restrictions as of June 30, 2021 and 2020.

SAN FRANCISCO PUBLIC HEALTH FOUNDATION
(A California Nonprofit Public Benefit Corporation)

NOTES TO FINANCIAL STATEMENTS
For the years ended June 30, 2021 and 2020

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES (continued)

Cash and Cash Equivalents - Cash is defined as cash in demand deposit accounts as well as cash on hand. Cash equivalents are short term, highly liquid investments that are readily convertible to known amounts of cash and investments so near their maturity that the risk of changes in value due to changes in interest rates is negligible. These are generally investments with maturity dates within three months of the acquisition date.

Property, Equipment, and Leasehold Improvements - The Corporation records property, equipment, and leasehold improvements at cost of acquisition, or, if donated, the fair market value at the date of donation. Depreciation is recognized using the straight-line method over the useful lives of the assets, which range from three to five years. The Corporation capitalizes all property, equipment and improvements with a cost in excess of \$1,500. There was no property and equipment as of June 30, 2021 and 2020.

Fair Value Measurements – The Corporation carries certain assets and liabilities at fair value. Fair value is defined as the price that would be received if selling an asset or paid if transferring a liability in an orderly transaction between market participants at the measurement date. Fair value measurement standards also require the Corporation to classify these financial instruments into a three-level hierarchy. The Corporation classifies its financial assets and liabilities according to the below three levels, and maximizes the use of observable inputs and minimizes the use of unobservable inputs when measuring fair value.

- Level 1 – Quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities, without adjustment.
- Level 2 – Quoted prices in markets that are not considered to be active for identical or similar assets or liabilities, quoted prices in active markets of similar assets or liabilities, and inputs other than quoted prices that are observable or can be corroborated by observable market data.
- Level 3 – Inputs that are both significant to the fair value measurement and unobservable, including inputs that are not derived from market data or cannot be corroborated by market data.

The Corporation's carrying amounts of its assets and liabilities approximate fair value under Level 1 for the years ended June 30, 2021 and 2020.

Investments – To the extent available, the Corporation's investments are recorded at fair value based on quoted prices in active markets. The Corporation's investments that are listed on any U.S. or non-U.S. recognized exchanges are valued based on readily available market quotations. When such inputs do not exist, fair value measurements are based on the best available information and usually require a degree of judgment.

SAN FRANCISCO PUBLIC HEALTH FOUNDATION
(A California Nonprofit Public Benefit Corporation)

NOTES TO FINANCIAL STATEMENTS
For the years ended June 30, 2021 and 2020

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment transactions are recorded on the purchase or redemption date. Realized gains and losses on sales of investments are determined on the specific identification basis. Dividend and interest income is recorded on an accrual basis. Unrealized gains and losses on investments resulting from market fluctuations are recorded in the consolidated statement of activities in the period that such fluctuations occur.

Contributions and Revenue Recognition – Contributions consist of cash contributions as well as in-kind goods and services provided to the Corporation. Contributed services are recognized at their fair value if the services received (a) create or enhance long-lived assets, or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Unconditional promises to give are recognized as revenues in the period such promises are made by the donor. Donated securities are recorded at their fair value at the date of donation.

Contributions are recognized when the donor makes a promise to give to the Corporation that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Accounts Receivable - Multi-year pledges are recorded at present value. Contributions receivable are reviewed for collectability, and reserves for uncollectible amounts are established as needed. It is the practice of the Corporation to expense uncollectibles only after exhausting all efforts to collect the amounts due. The Corporation considers all unconditional promises to give fully collectible and therefore, there was no allowance for doubtful accounts at June 30, 2021 and 2020.

Tax Status – The Corporation is a nonprofit organization exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Service Code and Section 23701(d) of the Revenue and Taxation Code of the State of California. The Corporation is considered by the IRS to be an organization other than a Private Foundation. In the opinion of management there is no unrelated business income. Management evaluated the Corporation's tax positions and concluded that the Corporation had maintained its tax exempt status and had taken no uncertain tax positions that require adjustments to the financial statements.

Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

SAN FRANCISCO PUBLIC HEALTH FOUNDATION
(A California Nonprofit Public Benefit Corporation)

NOTES TO FINANCIAL STATEMENTS
For the years ended June 30, 2021 and 2020

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES (continued)

Advertising Costs – It is the policy of the Corporation to expense advertising costs as incurred.

Functional Allocation of Expenses – The costs of providing the various programs and other activities have been detailed in the statement of functional expenses and summarized in the statement of activities. Certain costs have been allocated among the programs and supporting services by the management of the Corporation based upon time and usage studies.

NOTE 3 MANAGEMENT FEES

As indicated in Note 1, the Corporation was established to support programs and act as a fiscal sponsor for projects related to public health issues in San Francisco, California. The Corporation enters into agreements with these projects to provide services to them in the pursuit of their individual goals and charges a 2% to 10% management fee for these services.

NOTE 4 CASH AND CERTIFICATES OF DEPOSIT

The Corporation maintains accounts at financial institutions which consist of unrestricted cash and money market funds as well as cash and certificates of deposit attributable to fiscally-sponsored programs.

	<u>Unrestricted</u>	<u>Fiscal Sponsor</u>	<u>Total</u>
2021			
Cash	\$ 1,585,956	\$ -	\$ 1,585,956
Certificates of Deposit	-	<u>3,065,852</u>	<u>3,065,852</u>
	<u>\$ 1,585,956</u>	<u>\$ 3,065,852</u>	<u>\$ 4,651,808</u>
2020			
Cash	\$ 978,519	\$ -	\$ 978,519
Certificates of Deposit	-	<u>2,510,662</u>	<u>2,510,662</u>
	<u>\$ 978,519</u>	<u>\$ 2,510,662</u>	<u>\$ 3,489,181</u>

NOTE 5 FISCAL SPONSOR LIABILITY

Because the Corporation acts as a fiscal sponsor, it records amounts received and promised, but not yet expended, for the sponsored projects as cash and receivables. These assets, which are held for each program, are offset by a corresponding liability. The total of all sponsored program liabilities at June 30, 2021 is \$3,065,852 and \$3,962,616 at June 30, 2020.

SAN FRANCISCO PUBLIC HEALTH FOUNDATION
(A California Nonprofit Public Benefit Corporation)

NOTES TO FINANCIAL STATEMENTS
For the years ended June 30, 2021 and 2020

NOTE 6 INVESTMENT INCOME

The investment income resulting from the certificates of deposit consists of the following:

	2021	2020
Interest income	\$ 41,272	\$ 66,214
Unrealized and realized (loss) gain	(31,526)	49,983
	\$ 9,746	\$ 116,197

NOTE 7 DEFERRED COMPENSATION PLAN

The Corporation covers eligible employees under a 401(k) qualified deferred compensation retirement plan administered by Transamerica Retirement Solutions Corporation. Retirement expenses paid by the Corporation for the years ended June 30, 2021 and 2020 were \$32,566 and \$26,949, respectively.

NOTE 8 OFFICE LEASE

In August 2019, the Corporation entered into an office lease and occupied a new office space in San Francisco, California. Future minimum obligations under the lease are as follows:

June 30,	
2022	\$ 65,398
2023	67,360
2024	69,381
Total	\$ 202,139

Lease expense was \$63,652 and \$56,896 for the years ended June 30, 2021 and 2020, respectively.

NOTE 9 LIQUIDITY MANAGEMENT

As part of its liquidity management strategy, the Corporation structures its financial assets to be available as its general expenditures come due. The Corporation's working capital and cash flows have cyclical variations during the year attributable to the cash receipts of contributions and grants. The Corporation has sufficient cash and cash equivalents to meet its current needs and investments which can be converted to cash for periods when cash is not available.

SAN FRANCISCO PUBLIC HEALTH FOUNDATION
(A California Nonprofit Public Benefit Corporation)

NOTES TO FINANCIAL STATEMENTS
For the years ended June 30, 2021 and 2020

NOTE 9 LIQUIDITY MANAGEMENT (continued)

Financial assets available for general expenditure, without donor restrictions are as follows:

Cash and cash equivalents	\$ 1,585,956
Accounts receivable	356,127
Net assets with donor restriction	<u>-</u>
Total available financial assets	<u>\$ 1,942,083</u>

NOTE 10 THE CORONAVIRUS AID, RELIEF, AND ECONOMIC SECURITY (CARES) ACT

During the year ended June 30, 2020, the San Francisco Public Health Foundation participated in the Payroll Protection Plan under the CARES Act due to the Coronavirus Pandemic and received \$193,400 from the federal government. During the year ended June 2021, the PPP loan had been forgiven in full by the Small Business Administration. If the federal authorities had determined the loan was not convertible to a grant, repayment would have begun on October 25, 2020, payable in 24 monthly installments at 1% per annum.

NOTE 11 CONCENTRATION OF CREDIT RISK

As of June 30, 2021 the Corporation had cash balances with financial institutions which exceeded the \$250,000 Federal Deposit Insurance Corporation insured limit by approximately \$4,380,000.

NOTE 12 SUBSEQUENT EVENTS

Management has evaluated all subsequent events through the Auditor's Report Date, the date the financial statements were available to be issued.
